

BUCKINGHAM PALACE

29th April, 2019

Dear Mr Stacey,

The Queen has asked me to thank you for your recent letter regarding the Parliamentary negotiations on the United Kingdom's withdrawal from its membership of the European Union.

While careful note has been taken of the views you express, I must tell you that, as a constitutional Sovereign Her Majesty remains strictly non-political at all times, and therefore this is not a matter in which The Queen would become involved.

Nevertheless, it was interesting to know of your thoughts.

Yours sincerely,
